Ein erster Eindruck

For sale this fantastic rustic finca very well located in the outskirts of the village of Campanet with fantastic views, at a distance of 12 minutes walking distance to the centre of Campanet.
The finca has a special charm and an ideal situation to live all year round or also as a second home. With beautiful views to the village and part of the Serra de Tramuntana that surrounds the village.
The finca of more than 1.8 hectares with an approved preliminary project to build a house of approximately 345 square metres of useful surfaces, swimming pool, terraces. Of which 210 meters of housing, 120 on ground floor with double bedroom and bathroom, 90 on first floor with three more double bedrooms and two bathrooms, 32 meters of swimming pool and 146 meters of fantastic terraces. Easy city water connection.
In the project the orientation of the house is northwest, which will allow from the terraces and the swimming pool spectacular views. In addition, there are only small rustic plots in the surroundings, so there is practically no possibility of licenses being granted for more constructions in the vicinity.
Interesting finca due to its situation, with approved pre-project to start building soon, fantastic views, proximity to the village, charm, an opportunity in one of the villages of the Serra de Tramuntana. If you want more information you can contact us to visit the property.
