The quality and craftsmanship, as well as the attention to detail, make this cave home truly unique and one of a kind.

From the moment you arrive, you notice the sleek curvature of the exterior of the house—a work of art in itself. With clean lines, geometric shapes, and a contemporary design, it exudes sophistication and elegance. A true cave home emerging as one with nature, Oikēma features a 35-meter-wide frontage with floor-to-ceiling windows that lead to a moment of arrival—peering above the clouds and extending to the panoramic views of the Aegean Sea and Ornos Bay in Mykonos.

Meticulously designed, the free-flowing main level connects seamlessly with the outdoor veranda—from the sunken formal living room and intimate entertainment spaces to the breakfast nook and gourmet kitchen, all offering panoramic views from every corner. Each statement room is designed with reverence for nature; the architecture is modern, yet the amenities are luxurious. The master suite is a true oasis, complete with a sitting area, two walk-in closets, and a spa-like bath with soaking tubs, a steam shower, and dual vanities.

A substantial infinity pool and spa flow effortlessly toward the bay.
