A first impression

Magnificent rustic finca built with high quality materials, with pool and separate guest apartment, near Llubí. Located about 2 kilometers from the center of Llubí, about 5 kilometers from Muro and about 15 kilometers from the spectacular beach of Muro with its white sand and turquoise water. The unique style of this property makes it a truly exclusive home. The house is distributed over two floors and has four good sized bedrooms, three bathrooms, a wonderful living/dining room with wood burning stove, a beautiful fully equipped fitted kitchen and also a guest apartment with fireplace and its own terrace. The living room and kitchen have access to a wonderful covered terrace, a fantastic green lawn garden and a large swimming pool where you can enjoy the warm months of the year with your loved ones. Behind the house there is also a terrace and plenty of outdoor space. As an extra the property offers: high ceilings, wooden beams, large windows, lots of natural light, air conditioning hot/cold and splendid views of the countryside and mountains. A beautiful home in a magnificent location! Llubí is a town located in the central part of Mallorca. It is 38 km from Palma and 17 km from the bay of Alcudia. Nearby are the towns of Muro, Santa Margalida and the capital of the central area, Inca. Until the beginning of the 19th century Llubí was a small urban center belonging to the neighboring municipality of Muro. Its economy was formerly based on agriculture where the production of capers stood out. The town is now surrounded by fields of almond, carob and fig trees. Llubí's restaurants, bars and stores are scattered throughout the town, mainly along the road that crosses the village.
