Horizona-Is a home worthy of its view.

In Delfini, one of the most peaceful settings of Syros, Horizona creates a unique connection with the surrounding landscape. Here, the sea is not simply a view from the residence; it becomes the constant reference point of everyday living. Open horizons, where the pure Cycladic light and a profound sense of tranquility create an atmosphere where life unfolds at its own natural rhythm.
Set across two levels and extending over 200 sq.m., in a plot of 2,000sq.m., the residence offers five master suites, bright living areas and a thoughtfully designed layout created for both comfortable everyday living and effortless hosting. At the lower level three master suites all with natural light offer complete privacy, with a secondary kitchen and seperate entrance adding to the complete autonomy of this level. A storage space with laundry also contribute to the daily functionality. The ground floor with a bright living room and open plan fully equipped kitchen also hosts two master suites with immediate access to the garden The outdoor spaces, featuring a private swimming pool, landscaped garden and generous terraces, extend the living experience towards the Aegean, creating the perfect setting for moments of relaxation, open-air dining and eveendless island sky.nings beneath the

Located just a ten-minute walk from Delfini Beach , Horizona offers the ideal balance between the privacy of a peaceful location and the convenience of easy access to everything that makes Syros such a distinctive place to live. Syros is not simply a summer destination. It is an island of character, where Cycladic beauty meets architecture, culture and an authentic way of life that continues throughout the year.

Von Poll Greece offers a full spectrum of services to support clients throughout the property purchase process in Greece. Beyond our core real estate expertise, we collaborate with a trusted network of professionals, including legal advisors, notaries, tax consultants, and architects to ensure every stage of the transaction is handled smoothly and securely.
