Palaio Faliro is one of the most established and sought-after seafront neighborhoods in southern Athens — a district that combines urban convenience with everyday life by the sea. Its coastal front, home to Flisvos Marina, the Faliro Olympic Sports Complex, and a landscaped seaside promenade, offers daily access to the water, restaurants, cafés, and leisure spaces. The Athens tram line running along Poseidonos Avenue connects the area directly to Piraeus and central Athens, while its proximity to the major Ellinikon redevelopment adds a strong element of future value appreciation to the wider area. It's a mature, family-friendly neighborhood with consistently strong demand, both for permanent

residence and for short-term rental.
