Une première impression

A rare urban sanctuary that blends minimalist elegance with a level of privacy seldom found in the city, “Down Town” redefines contemporary living.

Spanning 150 sq.m., the residence unfolds through bright, open-plan living spaces that evoke a sense of freedom and balance, while clean architectural lines and carefully selected materials highlight a timeless design character. The property offers two spacious bedrooms, with the master suite serving as a private retreat inspired by a modern spa aesthetic. A refined guest WC completes the interior layout, while the 80 sq.m. private garden stands out as a true highlight: a lush outdoor extension of the home, ideal for relaxed moments or sophisticated entertaining in complete seclusion.

“Down Town” represents an exceptional investment opportunity, combining high architectural quality with rare features for an urban residence. Located in one of the most prestigious areas of the capital, it offers prestige, privacy, and enduring value, making it ideal both as a primary residence and as a secure, high-end investment.
