In a prime location next to the central square and town hall of Moschato, an office building is available for sale with an attractive yield of over 7%. The property is fully leased to a high-creditworthiness tenant (3A), ensuring stable income for the investor.

Each floor offers 470 sq.m. of main space, while the total area, including common areas, is 500 sq.m. Each floor includes 12-13 offices or rooms, providing functionality for various professional uses. The building is designed according to IKA specifications, ensuring high construction quality and excellent functionality. Additionally, a conversion plan is already in place for the potential transformation of the property into residential apartments, offering flexibility in its use. The building is equipped with an elevator for easy access to all floors.

The location is especially advantageous, as it is just 300 meters from the electric railway station, which connects directly to the metro.
