The Sun-Drenched Cycladic Sanctuary

Capturing the absolute essence of upscale island living, Salma is a stellar three-bedroom villa where sustainable design meets architectural luxury. Spanning two floors of impeccable design, this 127 square meter residence is set within a generous 219 square meter private plot, perfectly balancing expansive indoor comfort with private outdoor entertaining. The exterior details honor the unique heritage of Cycladic architecture, while the inside features a striking, contemporary open layout that flows effortlessly from the gourmet kitchen to the spacious living and dining zones.

Your private garden acts as an extension of the interior, leading directly to a pristine private pool and an al fresco BBQ setup protected by architectural pergolas. Retreat upstairs to find three light-filled bedrooms, three exquisite bathrooms, and a beautiful first-floor balcony designed to soak in the gentle coastal breeze. Boasting an eco-friendly "A+" energy rating with solar panels, Salma delivers zero-energy living in a prime beachside location.
