A first impression

This versatile office space, spanning approximately 230 m², provides the ideal foundation for modern work concepts. Completed in 1997, the building is situated in a well-established location and boasts a functional layout that allows for numerous uses as an office or practice. The office unit currently comprises seven rooms, which can be configured in a variety of ways thanks to partially integrated glass elements. This flexible layout enables the creation of spacious group offices as well as smaller meeting or individual offices, as needed, thus offering flexibility for your individual usage concept. The bright rooms benefit from a ceiling height of approximately 3 meters, creating a pleasant and spacious working environment. Two separate restrooms for men and women enhance the comfort of both employees and visitors. A conveniently located kitchenette is available, ideal for breaks and light refreshments. The property is easily accessible by public transport, which is particularly advantageous for clients and employees. Several parking spaces are available on the fenced grounds, some equipped with wallboxes – a significant contribution to electromobility in your company. This ensures that you and your guests always have a secure parking spot right next to the building. The office space is easily accessible via the well-maintained stairwell and a modern elevator that reliably transports both people and materials. This makes the unit barrier-free and suitable for larger teams or clients requiring accessibility. An attractive feature is the adjoining balcony, offering employees or visitors a welcome opportunity for short breaks outdoors, further enhancing the work environment. In summary, this office space impresses with its flexible layout options, practical furnishings, and excellent accessibility. The existing technical infrastructure, such as parking spaces with wallboxes and an elevator, provides you and your employees with modern comfort. The combination of a well-designed floor plan and flexible usage options makes this property the ideal base for companies in a wide range of industries. We would be happy to provide you with further information or arrange a personal viewing. Discover the opportunities this office space offers for your business.
