A first impression

This bright apartment in an attractive apartment building dating back to 1927 impresses with its successful room layout and, in particular, its charm. With a living space of approx. 57 m² and a friendly, light-flooded atmosphere, the property is ideal for singles, couples or discerning commuters looking for a high-quality living solution in pleasant surroundings. The apartment will be vacant at the end of the year.

Upon entering the bright apartment, you first enter the inviting hallway, from which most of the rooms are accessible. The apartment has a total of 2.5 rooms, including a spacious living room and a bedroom with an adjoining bay window area. This bay window not only offers additional space and light, but also opens up a beautiful view of the green surroundings.

The living spaces are well thought out and allow for versatile furnishing options. A bathroom with a window and the well-kept fitted kitchen complete the positive overall impression. Large window fronts ensure a pleasant incidence of light throughout the day, making the rooms appear particularly friendly. The current condition of the apartment, in combination with the various modernizations over the years and a new heating system, guarantees a contemporary standard and a well-kept overall appearance. The good parking facilities in the surrounding area should also be mentioned. It is also possible to rent a parking space in front of the door at any time.

Those who value a quiet retreat will feel particularly attracted by the location. The apartment is located in a quiet residential area that nevertheless offers good connections to the urban infrastructure and public transportation. Shopping facilities, doctors, cafés and restaurants are all within walking distance, which further enhances the living comfort.

All about the location

The Rosenthal/ Niederschönhausen district is a preferred residential area due to its parks and upscale residential areas. Old buildings still predominate in the large detached house areas, the small villa districts and the apartment buildings, most of which date from the Wilhelminian era. There are also numerous new buildings in the form of city villas. Brosepark, Schlosspark Niederschönhausen, Bürgerpark and Schönholzer Heide invite you to take a walk, relax and keep fit. Further north is the Botanical Garden with its impressive greenhouses and botanical rarities. The newly built property is located in a quiet, small residential street with modern detached houses. There is no through traffic. Even at first glance, you can imagine how pleasant and relaxed life could be here.

The infrastructure offers everything you need for daily life in the immediate vicinity. Very good transport connections are provided by two streetcars and several bus services. You can reach the Pankow S+U station in approx. 15 minutes and the Friedrichstraße S+U station in approx. 30 minutes. Berlin city center is approx. 7 km away.
