A first impression

At the popular Licht Terrassen Berlin in Pankow, a modern, barrier-free 3-room apartment awaits you on the 3rd floor, offering approximately 89.30 m² of living space. Completed in 2023, the building features contemporary architecture, well-maintained grounds, and a quiet residential location with good access to Prenzlauer Berg and downtown Berlin. Thanks to its floor-to-ceiling windows, the apartment is particularly bright and inviting.

The entryway leads to the central hallway, from which all rooms and a practical storage room are accessible. The bedroom, which faces the quiet, landscaped courtyard, offers a pleasant living atmosphere thanks to floor-to-ceiling windows with triple glazing and electric exterior blinds. Another room is ideal as a home office, guest room, or walk-in closet and features access to the east-facing balcony.

The light-filled living room forms the heart of the apartment and provides access to the east- and north-facing balconies. The open-concept built-in kitchen is fully equipped and features generous counter space as well as an exhaust hood venting to the outside.

The barrier-free bathroom, which receives natural light, is equipped with a walk-in shower with folding doors, a bathtub, a towel warmer, and a washing machine hookup. A separate guest restroom completes the layout. All rooms feature individually adjustable radiant floor heating.

An elevator, an intercom system, a private basement storage unit, and bicycle parking spaces on the property and in the underground garage round out the amenities. An underground parking space is available for rent as an option.
