The end-of-terrace house extends over two levels and boasts an optimal floor plan. On the ground floor, you are welcomed by a spacious entrance hall with a generous cloakroom and a utility room. Following renovations, a large, naturally lit bathroom with a walk-in shower was created off the hallway. Beautiful tiles run throughout this area. The heart of the house is the light-filled, spacious living and dining room with a lovely fireplace. The open-plan, high-quality kitchen with a welcoming island creates a harmonious transition between the hallway and living area. Large windows, all triple-glazed, ensure an exceptionally bright and inviting atmosphere. From here, you have direct access to the terrace and the lovingly landscaped garden, which also features a small pond – ideal for relaxing outdoors. Upstairs, you'll find a spacious bedroom with a loggia, a large dressing room, and a fully equipped bathroom with a walk-in shower and underfloor heating. Tasteful wooden beams and skylights complete the amenities on this level. The house boasts numerous modernizations: New windows and doors ensure a high energy efficiency standard, and the high-quality flooring and wall finishes contribute to a harmonious overall impression. Heating is provided by an energy-efficient gas central heating system. A separate utility room is available for a washing machine and dryer. The sunny garden is easy to maintain and features a spacious terrace for relaxing outdoors. A private underground parking space and a garden shed for bicycles and gardening tools round out this well-designed property.
