## **A first impression**

**\*\*The perfect family home just outside Coburg - Spacious detached house with a well-maintained garden, sauna, and more\*\*** Welcome to this well-maintained detached house, built in 1996, which particularly appeals to families with its generous layout, modern amenities, and pleasant living atmosphere. With approximately 150 m<sup>2</sup> of living space on a roughly 1,064 m<sup>2</sup> plot, this property offers the best of both worlds: a fantastic location with excellent infrastructure and plenty of privacy. The house boasts a clever floor plan that emphasizes bright living spaces and an open-plan living concept. The heart of the ground floor is the light-filled living and dining area with expansive windows, offering a beautiful view of the mature garden. Here, you can enjoy relaxing evenings by the cozy wood-burning stove. The modern kitchen is conveniently located, ensuring easy access to all areas. With a total of six rooms, including five bedrooms, the house offers ample space for every family member. Two modern, well-maintained bathrooms guarantee comfort even for larger groups. These are complemented by a sauna with a wet area, where you can spend relaxing hours – a welcome addition, especially during the colder months. The large, mature garden is easy to maintain and invites children to play and adults to linger. You will appreciate the additional garden sheds, which offer ample storage space for tools, garden furniture, and firewood. A spacious double garage provides room for two vehicles and additional space for bicycles or strollers. A practical cistern ensures sustainable garden irrigation. Ongoing investments in maintenance and modernization, such as a photovoltaic system to support energy efficiency, demonstrate the loving care the property has received. The central heating system, installed in 2016, ensures comfortable room temperatures year-round – and, supported by good insulation and other energy-saving measures, the house can be described as very energy efficient overall.
