A first impression

Welcome to this spacious and elegantly designed penthouse apartment with a sophisticated living style and approximately 255.11 m² of living space. The attic conversion of this elegant Berlin building, dating back to 1912, was completed in 2016 and combines modern comfort with a well-thought-out floor plan. It offers 4.5 rooms, an open fireplace in the living area, and three generously sized bedrooms, ideal for families or couples who value space and comfort. Upon entering the apartment, you are greeted by a spacious entrance hall equipped with a functional wardrobe to ensure ample storage and organization. The entrance hall also includes a utility room with high-quality Miele appliances, such as a washing machine and dryer, as well as a large storage room. The heart of the apartment is the open-plan living and dining area with a fireplace, which flows seamlessly into the modern kitchen. The high-quality dining table and matching chairs are harmoniously integrated into the room, creating an inviting space for convivial evenings. The apartment boasts two well-appointed bathrooms, each with a toilet, bidet, sink, shower, and bathtub. There is also a guest toilet in the entrance area. The bedrooms feature custom-made built-in units that ensure optimal use of space. The master bedroom is equipped with a spacious wardrobe and matching chests of drawers, while the guest room or children's room has a practical built-in wardrobe. Custom-made curtains in the bedrooms blend harmoniously into the overall design, especially thanks to their special construction for the sloping ceilings. Both rooms also have a small balcony. Bookshelves in the hallway and shelves in the storage room and basement provide additional storage space. A central heating system ensures a comfortable temperature in all rooms. The rooms are climate-controlled via state-of-the-art underfloor heating and cooling. The high-quality roof construction guarantees excellent thermal insulation in both summer and winter. There is a shared bicycle storage room and a very large private basement storage room. A key highlight of this apartment is the pre-installed lighting in all rooms, providing both atmospheric and functional illumination. The apartment is also offered partially furnished, simplifying the move and allowing future residents to personalize the rooms to their liking. Two parking spaces are available for rent nearby. Experience this exceptional property for yourself and schedule a viewing appointment. This apartment offers not only comfortable living but also the benefits of high-quality finishes. A home that meets the demands of modern living, providing the perfect retreat for relaxation and well-being. The lease is for five years, after which the owners will reclaim the apartment for their own use.
