This floor plan is not to scale. The documents were given to us by the client. For this reason, we cannot guarantee the accuracy of the information.

Property ID: CH252468492 - 8863 Buttikon SZ - Schübelbach, Bezirk March

A first impression

This mid-terrace house (built in 1981) is a real space miracle: 6.5 rooms, a spacious, well-designed floor plan and a rare location - quiet yet central. Ideal for families who value space, suitability for everyday use and a harmonious living environment.

Highlights at a glance

Mid-terrace house - practical, family-friendly, efficient to use

6.5 rooms with a spacious layout and good furnishing options

Quiet location with central connections

Year of construction 1981

oil heating

2 underground parking spaces

Plenty of potential for individual design and modernization as required

Living & sense of space

The well thought-out floor plan creates a pleasant balance between community and retreat. The rooms are arranged in such a way that everyday life as a family can be easily organized - with enough space for a home office, guests or hobby rooms.

Technology & equipment

Heating: oil

Solid building fabric (built in 1981) - depending on requirements, selective renovations/updates are possible.

Parking

2 underground parking spaces - comfortable and weather-protected.

The pictures are edited with Ki for better illustration.

Property ID: CH252468492 - 8863 Buttikon SZ - Schübelbach, Bezirk March

All about the location

The property is quietly located in a pleasant residential environment, but at the same time offers central accessibility - ideal for families, commuters and anyone who appreciates short distances in everyday life.
