The property boasts a clever floor plan with a total of five rooms, including four bedrooms and three bathrooms, providing flexible living options for families, couples, or those requiring more space. The house welcomes you with an inviting entrance area that impresses with its brightness and functionality. On the ground floor, you'll find the generously sized, open-plan living and dining area, flooded with natural light through large windows. From here, you have direct access to the terrace and the well-maintained garden – a space that offers a wealth of possibilities for personal expression and leisure activities. A brick fireplace provides cozy warmth on cold days and invites you to unwind in the evenings. The spacious, high-quality kitchen is conveniently located adjacent to the dining area and is equipped with all necessary connections, allowing for the realization of individual kitchen designs.
