A first impression

Located in a quiet and residential area of Ettelbruck, Von Poll Real Estate Luxembourg offers you this charming family house for sale. Very bright due to the number of windows, this house has 6 bedrooms and spaces that can be converted according to the wishes of the occupants. The large living room, on the ground floor, has its fireplace so you can enjoy a cozy space for winter evenings. The rest of the house is heated using oil-fired central heating (2018). In the basement, the garage with electric door allows you to park any type of car and take advantage of an additional space in front of it. The frames and roof were renovated a few years ago, while the rest of the house will need to be refreshed. A multi-use room, currently fitted out in Carnotzet, is located on the cellar floor and can be used as a “hobby room”.
