A first impression

Spectacular plot of 132.000m² to be built in an idyllic environment and in harmony with the nature and fauna of the area of the municipality of Algaida. This majestic land is located a few meters from the Son Gual golf course. It has access by an asphalt road to the property itself, surrounded by a fantastic landscape at the foot of the mountains. It's ideal for an investment as it is buildable and/or for habitual residence. The land is totally fenced in stone and has its own well giving it 3600 l/h and two million litres per year. It suggests a nice walk through a pine forest. There are two possibilities of sale as there are two deeded plots of 66.0000m², which can be bought together or separately.
