All about the location

Son Veri Nou is the younger part of Son Veri. It is part of the so-called "Urbanizations" and is located between Son Veri and Cala Blava. It is very popular with residents and only has little tourism. A supermarket as well as several restaurants and cafes provide an all-year offer. The coastal promenade invites for long walks or bike rides towards Palma. In the immediate vicinity are two sandy beaches located, the Cala Blava, which is located between the same district and Son Veri Nou and the Cala Es Caló close to the Club Nautico Arenal. It is only 2.5 km to the well-known Playa de Palma, 19 km to the airport and 24 km to the capital Palma.
