## All about the location

Palma, the capital of the island, is also the largest city of Mallorca. It offers a large number of attractions and is worth a visit at any time of the year. To the east is the port of Portixol, which is not far from the new development Nou Llevant. Here also begins the city beach "Platja de Can Pere Antoni", a long sandy beach with a view of the cathedral. This imposing Gothic building with a large rose window and wrought-iron canopy by Gaudí is the city's landmark and tourist magnet. From here you can walk to the winding old town with its numerous cafes and restaurants. The harbor promenade "Paseo Marítimo", on the other hand, invites you to stroll. Restaurants, boutiques and hotels line it. To the west of the city lies the chic, redeveloped port district of Porto Pi. Here you'll find an abundance of waterfront bars and seafood restaurants along the promenade, Palma's casino, and the well-known Centro Porto Pi shopping center.
