A first impression

This exclusive apartment built in 2020 is now available for sale, presented in mint condition. Three well-designed rooms await you across approximately 84 m² – a home with modern details and high-quality furnishings, ideal for couples or small families.

The apartment is located on the first floor of a modern residential complex with clean architecture. An elevator takes you comfortably to the floor. The inviting living and dining area with open-plan kitchen conveys a contemporary living feel and offers plenty of space for socializing and everyday life. From here, the living and dining area leads to a spacious balcony, which offers additional outdoor space and, with its south-east orientation, is ideal for relaxing hours outdoors.

The kitchen is equipped with high-quality appliances and stylish fixtures and is complemented by an adjoining storage room, which is ideal for use as a pantry.

The master bedroom offers plenty of space for personal living ideas, while the second room can be used flexibly – whether as a children's room, home office, or guest room. Both rooms are bright and friendly, creating a pleasant atmosphere.

The bathroom features modern fittings, a comfortable bathtub, and a separate shower. An additional guest toilet provides even more convenience in everyday life.

The offer is extended to include two duplex underground parking spaces (€47,000). The total offer price is €697,000.00 (apartment €650,000.00 plus two parking spaces at €23,500.00 each).
