A first impression

This beautiful two-room penthouse apartment, with no sloping ceilings, boasts two terraces and a prime location. All rooms are accessible from the central entrance hall, and each has access to one of the two terraces. The master bedroom opens onto a north-facing terrace overlooking the well-maintained and completely tranquil communal garden, which is freely accessible to all and offers peace and relaxation. The bathroom, directly adjacent to the bedroom, features a bathtub, sink, and toilet. A glass block window provides ample natural light. The spacious living/dining room offers plenty of space for a dining area and a comfortable seating area. The wall of windows facing the south-facing terrace towards Iglaseegasse creates a bright and airy atmosphere. The entrance hall leads to the kitchen, which is fully equipped with appliances including a dishwasher, refrigerator/freezer, and a gas stove. The gas boiler is also located here. Since the kitchen is directly adjacent to the living room, separated by a non-load-bearing wall, this wall could easily be removed to create an open-plan kitchen within the living room. The second bathroom, accessible from the entrance hall, does not have a bathtub but includes a shower, sink, and toilet. A storage room, also accessible from the entrance hall, offers ample storage space. Both terraces provide plenty of room for a dining area and/or sun loungers, measuring 4.98 m² and 7.14 m² respectively. Sun or shade from morning till night – the choice is yours! A cellar compartment and access to the communal garden perfectly complement the offering. An apartment with potential and character in a very desirable location in Döbling!
