A first impression

Spacious retail space with a large window area and high foot traffic. Located near the Hoher Markt and the Tuchlauben shopping street, this impressive shop is available for long-term lease. The space is ideally suited for a fashion or furniture store, but would also be perfectly suited to use as a gallery or art center. Use as a café or restaurant is unfortunately not permitted. The space is approximately 29 meters long and 5.10 meters wide at its widest point. The entrance features three display windows, and there are 10 additional large windows. The ceiling height is approximately 3.80 meters. The entire unit extends over two floors and is very bright and offers optimal usability. The lower level features another large, well-lit showroom with the charm of an old vaulted cellar. This room is also approximately 29 meters long and 5 meters wide, with a ceiling height of approximately 5 meters. There is also a storage room without natural light and the option to install two restrooms. The property requires extensive renovation/refurbishment. Net base rent: €4,590. Net operating costs: €672.76. Total gross rent: €6,315.31
