A first impression

Apartment already leased in the University Student circuit, with excellent gross yield. Investment with annual gross profitability at 8.6% and application of dry coupon for taxation at 21%. Interesting alternative to the world of financial investments where the capital gain tax rate is at 26%. The apartment is on the ground floor of a building in Stradella San Pietro in the heart of the so-called "Trastevere of Vicenza" next to the very old Oratorio dei Boccalotti (1414) and the church of San Pietro. It is currently rented to 6 students from the University of Vicenza and Padua with a yearly contract renewable from year to year. From the main door we enter the first sleeping area consisting of nice single room with internal sink and a double room of over 20 sqm. Continuing along the corridor we find the large bathroom with ante-bathroom used as laundry corner. A spacious finely furnished kitchen overlooking the dining/sitting area lit by a large skylight and the second front door are the common spaces. The dining room leads to the second sleeping area with a double bedroom on the ground floor and a very bright and spacious study on the second floor.
