A first impression

The charm to living overlooking the city's most important avenue, inside a historic building with the comforts of modern living: an exclusive flat, where the details of historical buildings of the downtown, emerge in all their beauty: rooms with important volumes, in which the ceilings with exposed beams, the Venetian floor for the living area and the wooden floor in the bedroom, together with a bathroom and kitchen in a practical and modern style, make this solution extremely fascinating.

The apartment located on the first floor, consists of an entrance area with practical custom-made closets, a large living room with a central fireplace and double French doors that open onto the small terrace with direct views in to Corso Palladio.

The kitchen is separate, able to accommodate a practical breakfast and dinner table. In the main living room space suitable for the relaxation TV area and space for a big dining table.

The bedroom is in the back overlooking the inner courtyard of the building, and thus extremely quiet.

The central bathroom is modern and equipped with XL shower.
