All about the location

The house is located in Monteviale in the locality of Costigliola, inside a new residential area near the hills of Monteviale and Costabissara. It enjoys the tranquility of a very quiet environment and not isolated from other homes, with space for children to play in the neighborhood, where only residents' cars pass.

The view is particularly pleasant, thanks to the surrounding fields and hills, and to the view of the mountains in the background.

The area is particularly appreciated for its proximity to the city, easily reached in 10 minutes.

The Del Din camp is 10 minutes away by car, while the headquarters of the Ederle camp are less than 20 minutes away.

The American bus stop is safely reachable on foot from the house.
