A first impression

In the heart of Vicenza's historic center, within a historic building of exceptional value, we are offering an apartment that combines the charm of period architecture with the functionality of comfortable, well-laid-out living spaces.

The building's entrance immediately immerses you in a grand, stately setting, enhanced by the elegant Muttoni staircase—an architectural feature of great visual and historical significance. This setting reflects the nobility of Vicenza's city center and gives the property a unique identity, ideal for those who wish to live in a home set within an authentic and prestigious setting.

The apartment features a rational layout: the entrance leads to the living area, consisting of a spacious and bright living room connected to the terrace, and a separate, functional, and well-organized kitchen. The sleeping area, set apart from the main living spaces, includes two bedrooms and two bathrooms—a feature particularly appreciated for its everyday comfort and practicality.

One of the property's distinctive features is its private outdoor space, a rarity in Vicenza's historic center. This outdoor space represents significant added value, ideal as a place to unwind, a small gathering spot, or a private area to enjoy during the warmer months.

The interior spaces retain a classic and orderly layout, featuring Venetian-style floors, high ceilings, and large windows that ensure plenty of natural light.

An ideal solution for those seeking an elegant residence in the historic center, with the added value of a highly prestigious building and a private outdoor space—a feature that is increasingly rare and sought-after today.
