In the heart of Vicenza's historic center, this exclusive residence represents an authentic jewel of architecture and comfort. Every detail has been designed to offer an unparalleled living experience, where natural light floods the spaces thanks to large windows that open the gaze to generous volumes and fascinating scenery. The private porch, spacious and private, allows two cars to park comfortably, a rare luxury in such a central location. The indoor garden, a true oasis of peace, invites moments of relaxation and conviviality with a hot tub perfectly set in the greenery. It is a corner of serenity where one can retreat to enjoy the beauty that surrounds the property. Inside, the home is on several levels, with spaces finely furnished and with attention to detail. On the ground floor, the rooms consist of an entrance area with dining room, a wonderful kitchen with a glass window that opens onto the patio and garden, and a separate living area that becomes a point of continuity with the outdoor green area thanks to the sliding glass windows and glass walls. Upstairs, three bedrooms offer intimacy and comfort, accompanied by two elegantly finished bathrooms. Laundry space and walk-in closets add practicality and luxury, meeting every need of the residents of this residence. An additional touch of exclusivity is provided by the studio apartment separate from the main residence.
