A first impression

Set amidst the gentle slopes of a timeless valley, this magnificent property stretches over 6 hectares of mechanized DOC vineyards, which unfurl with geometric precision, telling stories of tradition and passion. Completing this picture of rare beauty are some 2.5 hectares of arable land, ready to be shaped by the farmer's expert hand, and 2 hectares of woodland that surround the estate with their verdant embrace, offering refuge to a rich biodiversity.

At the center of this rustic paradise stands the dwelling, an authentic refuge with a rustic flavor, welcoming with its warmth and unique character. Partially renovated, it retains the essence of old country homes, with exposed beams and wooden floors, where every detail is a hymn to tradition and simplicity.

Outside, the pool offers itself as an oasis of coolness and relaxation, perfect for soaking in the surrounding serenity. Not far away, a functional shed, the beating heart of the agricultural activity, testifies to the industriousness of those who live and work in harmony with nature.

This property is a place where time seems suspended, a place where one can rediscover the pleasure of the simple life, immersed in the beauty of an enchanted bucolic landscape, far from the hubbub of the modern world. A corner of paradise that invites you to dream and be lulled by the slow and harmonious rhythm of nature.
