All about the location

The apartment is located in Contrà Pescherie Vecchie, one of the most characteristic and charming streets in Vicenza's historic center. This small paved street, rich in history, takes its name from the ancient fish market that was held here in past centuries and still maintains an authentic and charming atmosphere.

The location is absolutely privileged: just a few steps away is Piazza dei Signori, the beating heart of the city, dominated by the splendid Basilica Palladiana and surrounded by historic cafes, wine bars and fine restaurants. Everything you need to experience the city is at your fingertips: from high-fashion boutiques to artisan workshops, theaters to art galleries.

Despite being right in the center, Contrà Pescherie Vecchie is a quiet and safe street, thanks to the limited vehicular traffic in the ZTL and the presence of residents who keep the sense of community alive.

The strategic location makes it easy to get around on foot or by bicycle, while the train station is less than 10 minutes away, quickly connecting Vicenza with Venice, Verona, Padua and Milan.

A place that combines prestige, convenience and historical charm, perfect for those who want to live an authentic Italian urban experience, surrounded by the architectural and cultural beauty of a UNESCO heritage city.
