A first impression

In a quiet and sunny area, just a few minutes from the center of Asiago and near the airport, we offer a ground-floor apartment inserted in a well-kept condominium with tennis court and common barbecue area, ideal for those who want to live or spend their free time immersed in nature without sacrificing the convenience of services.

The house is on one level and welcomes with a bright living area furnished in mountain style with living room and open kitchen, embellished with large windows overlooking the private garden, a reserved and flat green corner perfect for outdoor dining and relaxing moments.

The sleeping area includes a master bedroom with custom-made closets, a second bedroom of a size also ideal as a guest room or study, and two windowed bathrooms, both complete and finely finished. To the rear of the house is a second private outdoor space, useful as a service uncovered space or equipped area for leisure time.

The apartment, fully furnished and ready to be lived in, also has an alarm system, independent heating, garage in the basement and outdoor parking space. A cozy and functional solution, ideal as a residence or as a vacation home, perfect for those looking for a reserved and well-maintained context on the Asiago Plateau.
