A first impression

In the heart of the historic center of Schio, along the main street, stands this prestigious building that has been completely renovated and transformed into a unique residence, characterized by elegance, attention to detail and finishes of the highest level. Originally consisting of two separate units, today the dwelling is presented as a single prestigious residence, furnished with fine furniture and modern amenities that enhance its comfort and refinement.

The entrance opens onto a welcoming atrium from which one enters a versatile room, complete with an elegant bathroom with shower: an ideal space as a professional studio or guest room. From here one also reaches the charming original wine cellar, characterized by exposed brick ceilings, perfect as a storage room or as an atmospheric tasting area. Also from the entrance is the historic local stone staircase, finely restored and enriched with an elegant wrought-iron handrail, leading to the upper floors.

On the second floor is the main living area, consisting of a refined living room with a fireplace, a neat living room with built-in cupboards and a lovely little balcony on the main street, and a modern kitchen furnished with high-quality steel elements. Next, a cozy living room-library and a bathroom complete the level, making the spaces harmonious and perfect for daily living and conviviality.

The second floor houses an additional sitting room and two large double bedrooms, enhanced by a scenic closet room divided into two separate rooms, completely made with custom-made furniture. Here there are also two bathrooms, the laundry room and a charming room dedicated to the Jacuzzi, from which there is direct access to the outdoor terrace. This floor also has a separate entrance, an element that adds great functionality to the property.

The third attic floor gives rooms of great atmosphere, with two well-kept rooms complete with private bathrooms and a relaxation area with a glazed ceiling and large panoramic windows that offer striking views of the surrounding landscape, giving brightness and a unique charm to the top level.

An exclusive property, rare on the market, which combines the historicity of downtown Schio with the modernity of the most advanced amenities, offering an ideal representative home for those seeking elegance, space and high quality living.
