A first impression

For rent we offer a charming mini-apartment, a living solution designed for singles and professionals who want a private, well-kept and cozy place where they can find balance and comfort at the end of the workday.

The bright and harmonious interiors are enhanced by the ceiling with exposed wooden beams, which gives warmth and personality to the rooms. The living area opens into a refined open space, where the open kitchen, fully equipped, dialogues with the dining and living area, creating a fluid and pleasant space, ideal both for moments of relaxation and for a discreet and functional everyday life.

The master bedroom is an intimate and quiet space, designed to ensure rest and privacy, with direct access to a private terrace: a perfect outdoor space to start or end the day in tranquility.

The modern and finely finished bathroom completes the home with essential materials and lines.

The two terraces represent a distinctive value: true extensions of the house, places to live in every season, offering breath, light and a private dimension rare for a solution of this size.

An ideal home for professionals on the move, managers, consultants or for those going through a phase of change and who want an elegant, ready-to-use home capable of transmitting serenity, without sacrificing style and quality.

All about the location

The apartment is inserted in a side street, extremely quiet, within Santa Bertilla-Banche, one of the most sought-after and appreciated residential neighborhoods in the city. A reserved, orderly and pleasant context, ideal for those who wish to live away from traffic without sacrificing convenience.

All the main services - stores, supermarkets, green areas and urban connections - are conveniently within walking distance, as is the historic center, easily accessible in a few minutes.

The proximity to the West Vicenza road system is an additional strength, making the property particularly suitable for professionals and consultants who, for work needs, move frequently.

San Bortolo Hospital, reachable in less than 10 minutes, also makes this solution ideal for medical and health care personnel looking for elegant, functional and well-connected housing.
