A first impression

A few minutes' walk and bicycle ride from the Ederle Barracks, in a particularly strategic location for personnel working inside the American base, we offer a bright apartment located on the third floor served by an elevator, complete with private garage.

The dwelling stands out for its spacious and well-distributed rooms, characterized by elegant parquet floors in the living area and in the bedrooms. The living room, of generous size and particularly bright thanks to the large windows, offers access to a beautiful terrace overlooking the green: an ideal space for outdoor dining, moments of relaxation or to create a cozy outdoor living.

The kitchen is separate and is the only furnished room in the apartment, already complete with furniture and appliances. The other furnishings in the photographs have been included through AI for illustrative purposes only, to help enhance and imagine the potential of the spaces.

The sleeping area includes three bedrooms and two windowed bathrooms, providing comfort and functionality for both families and staff relocated to Vicenza for work.

An additional strength are the two terraces, which provide brightness and pleasant views of the surrounding greenery, making the property particularly pleasant to live in.

An ideal solution for those seeking generous space, tranquility and the convenience of quick access to the Ederle Barracks and the city's main services.
