A first impression

Fantastic terraced house in Puerto Alcudia in project status with a planned completion date in 2023. The villa is located in an excellent, quiet residential area, only a few meters from Lake Menor and very close to restaurants and leisure activities as well as the beautiful sandy beach of Puerto Alcudia. The house extends over 2 floors and has pure modern luxury with a total of 3 double rooms and 2 bathrooms. It has a spacious living and dining room, a comfortable kitchen, a garden with a large terrace and a large roof terrace. The complex has a communal pool and each house has its own parking space. An excellent opportunity!
