## A first impression

Divine historic estate with old olive mill and sea views to the bay of Canyamel. Situated on a plot of about 14 hectares this historic estate from the 17th century has a total constructed area of approximately 855 m<sup>2</sup>. In the main house we find a large master bedroom with ensuite bathroom and office area, 3 further bedrooms with large fitted wardrobes and a very spacious living room with fireplace and high ceilings in the old oil mill has been beautifully integrated. There is also a dining room, a library and a beautiful traditional kitchen with all modern comforts. Several open and covered terraces surround the property of which you can enjoy a breathtaking view of the surrounding countryside, its green hills and the sea. The fantastically landscaped garden with mature trees has its own well and a huge swimming pool with large terraces from which you can enjoy a fantastic view to the sea. Renovated stables and outbuildings offer further potential.
