A first impression

For sale large rustic finca of 8 hectares very close to Campanet. Located in a very quiet area with easy access. It is a historic house of more than 230 square meters built, which needs to be renovated. It is distributed in a two-storey house and almost 20 square metres of porch. In addition to a large independent warehouse of about 124 sqm with high ceilings.

The extensive finca is situated on a corner, is fenced and has some carob trees, fig trees and some almond trees. It is also one of the 57 fincas declared as a wildlife refuge promoted by the GOB Mallorca.

An interesting finca with many possibilities and with fantastic views to the mountains.
