A first impression

Large plot with unobstructed views of more than 2.8 hectares in the countryside 1.5 kilometers from Búger. Located in a quiet and residential area, with convenient access by two roads. The property consists of three plots. The largest has its own water well, electricity, an old building and water tank. It has enough meters to build a house of about 250m2 with swimming pool. Two other small plots have the possibility of being grouped into one and could also build a nice house of about 250m2 and pool. This is preliminary information contrasted with the documentation provided by the owner, it has to be consulted with an architect to assess all options.
