All about the location

Very good location, well connected and in a very quiet area of San Lorenzo de Cardessar. Nearby is the Manacor-Artá Greenway, an old railway route that connected the eastern end of Mallorca inland by a route of traditional landscape. Through the old stations of Sant Llorenç des Cardassar, Son Carrío and Son Servera. In its middle part it passes very close to the coast providing magnificent views of the sea and in Son Servera it connects with the bike path that leads to the beaches of Levante.
