A first impression

Set in the tranquil countryside of Campanet, in the charming hamlet of Ullaró, this spacious plot presents a rare opportunity for discerning buyers. The approx. 17,458 m² corner plot already has a fully approved building license for an elegant finca with pool, meaning that construction can begin immediately - an invaluable advantage in Mallorca, where such permits often mean a long wait.

The plan is for a single-storey finca with a total area of approx. 346 m², which harmoniously combines modern comfort, Mediterranean architecture and spacious outdoor areas. The concept includes approx. 175 m² of living space, a spacious terrace of approx. 103 m², a covered veranda of approx. 20 m² and a noble pool of approx. 35 m², which invites you to dive in and relax on warm summer days. The northeast-facing house is situated on the highest point of the plot and opens up views of a dreamlike scenery: majestic mountains of the Tramuntana, vast landscapes and, on clear days, even the shimmering blue of the bay of Alcúdia.

The floor plan was designed to impressively showcase light, space and nature. The finca offers three bright double bedrooms, all with direct access to the terrace, as well as two stylish bathrooms. The master bedroom boasts an en suite bathroom and a dressing area. The entrance area with pergola leads into an inviting living and dining room, which opens onto the covered veranda and captures plenty of sun and Mediterranean ambience. A large kitchen with pantry and utility room elegantly rounds off the space on offer in this design.

The plot is partially enclosed by a typical Mallorcan dry stone wall, which gives the property character, structure and privacy.

This offer is particularly interesting for buyers who want to start building their

dream finca without delay - with the certainty that all permits have already been obtained.

We would be happy to organize a viewing on site and provide you with further documentation on the project on request. Contact us - we will accompany you on the way to your finca in Campanet.
