All about the location

Very good location in a quiet street on the outskirts of the smallest municipality of the island. Búger is a charming village that preserves the rural character both in the urban area and in the outskirts.

Situated in the northeast of the island, a very privileged place in the Majorcan geography, very well connected on a hill very close to the Tramuntana mountain range, between Campanet and Sa Pobla and not far from the bay of Alcúdia and Pollença.
