A first impression

We present a modern townhouse, located in a privileged area, in the heart of Pollensa. This is a unique opportunity for those looking for a comfortable, well-equipped home with a contemporary design.

It offers a living space of approximately 115 m² distributed over two floors. It houses a spacious and bright living-dining room, designed to make the most of natural light, thanks to its large double-glazed windows that also guarantee excellent thermal and acoustic insulation. The kitchen, with direct access to the terrace, is fully equipped and offers a functional space for day-to-day living. There are two bedrooms, of which the master bedroom has an en suite bathroom, providing a personal and private space for its occupants and two bathrooms. All bedrooms are fitted with built-in wardrobes, offering practical and stylish storage. The property also includes a balcony-terrace that overlooks the saltwater swimming pool, creating a perfect space for rest and outdoor leisure in a tranquil and relaxing environment.

Other details that add to the comfort of this property include a water softener, which ensures optimum quality and durability of the appliances and plumbing systems, underfloor heating throughout the house and hot/cold air conditioning system.

In short, this property is perfect for those looking for a stylish and functional modern home close to the city centre.
