A first impression

Large plot located in an excellent location, directly facing the sea in Portocolom. Situated in a quiet and well-connected area, this property offers easy access to local services, including schools, shops, and public transportation.

This property has great potential. A beautiful plot of approximately 820 m² with a house of about 260 m² built and 123 m² of living space, with four bedrooms and two bathrooms, requiring a complete renovation. This allows for a new and modern project to build a fabulous villa of approximately 280 m² distributed over two floors, with a large garden, swimming pool, and garage. Its excellent location offers spectacular and unique views. It is ideal for those seeking tranquility, privacy, and proximity to the sea with its crystal-clear waters and white sandy beach. It is also a perfect starting point for cycling routes and walks through the picturesque landscape.

This land combines an unmatched location with great potential to create the house of your dreams.
