## A first impression

This charming corner semi-detached house is just a few steps from Alcudia Beach and offers multiple outdoor areas: garden, barbecue zone, terrace, and a private pool—ideal for enjoying the Mediterranean climate.

Comfortably distributed over two floors, the ground floor features a bright dining area in a glazed veranda, a cozy living room with a wood-burning stove, an independent kitchen with pantry, separate laundry room, and a guest toilet.

A staircase with stainless steel railing leads to the upper floor, where you'll find three bedrooms: the master bedroom with walk-in wardrobe, en-suite bathroom with bathtub, and access to a private terrace. There is also a small hallway, two additional bedrooms with built-in wardrobes, and a second full bathroom. An attic storage room is located on the top floor.

The house is equipped with new air conditioning (hot/cold), a backup water tank in case of power outages, a solar panel for hot water, double-glazed aluminum windows and shutters, as well as fiber optic internet installation.

It includes a private outdoor parking space and has its own independent water and electricity meters. No community fees.

An excellent opportunity to live near the sea all year round or as an investment, with the possibility of applying for a long-term holiday rental license (ETV).
