A first impression

Magnificent urban plot with a building project, located in a very quiet area just 300m from the fantastic beach of Alcúdia.

Situated right on the border between Puerto de Alcúdia and Playa de Muro, the plot enjoys proximity to all essential services such as a hospital, supermarkets, restaurants, shops, and more.

The plot has a total area of 326m² and allows for the construction of a detached house of approximately 190m², distributed over two floors. The current project includes: three bedrooms, one full bathroom, two guest toilets, a laundry room, and an open-plan living space with a spacious kitchen and living-dining area.

Outdoors, the design features a large terrace, a beautiful swimming pool, a green garden, and a parking area. The land is fully urbanized with street lighting, sewage system, sidewalks, water supply, and is surrounded by green zones.
