## A first impression

A breathtaking Art Nouveau town palace with stunning panoramic mountain views in the historic old town of Sóller, Mallorca.

This town palace impressively blends vintage glamour with elite craftsmanship and contemporary luxury, offering every imaginable amenity.

Built around 1900 and renovated to the highest standards, this Art Nouveau palace spans an impressive 749 square meters across four floors on a 402-square-meter plot, offering the perfect mix of historic charm and modern luxury and elegance.

The Art Nouveau palace is located on the Gran Vía, Sóller's most prestigious tree-lined avenue.

Just a few minutes' walk from the historic town center and all its restaurants and other amenities, the palace enjoys exquisite privacy and unobstructed views of the majestic Tramuntana Mountains to the south and southwest, as well as breathtaking sunsets.

The property meticulously preserves its original architectural beauty, with stucco work and restored original floor tiles in every room, and a drawing-room adorned with restored 19th-century porcelain wall tiles.

The townhouse has been completely renovated with luxurious finishes and highly exclusive design. The kitchen, designed by Cocinart/Espacio Home, features solid hardwoods and high-end appliances from Gaggenau, Siemens, and Miele. The bathrooms boast marble countertops, underfloor heating, and state-of-the-art fixtures by Toni CPH.

The townhouse has a total of five bedrooms, each with its own en-suite bathroom.

The two master suites, located on the first and second floors, each have a private dressing room and adjoining sitting room.

On the second floor, there is also another large living room with a fireplace and a kitchenette in an alcove, offering breathtaking views of the surrounding mountains. It offers an ideal space for relaxation and entertainment and is pre-wired for a home cinema.

The ground floor features an impressive entrance hall with high ceilings, an office, a grand reception area with a fireplace, a charming library, and an elegant dining and lounge area that opens directly onto a terrace with spectacular mountain views, as well as a guest bathroom.

Restored by a renowned design team, the palace presents a timeless historical aesthetic complemented by contemporary furnishings and bespoke pieces with the patina of a bygone era.

The spacious private patio offers a fantastic covered terrace, a saltwater pool tiled with green marble, an outdoor shower, and breathtaking views of the surrounding mountain panorama.

The city palace also boasts a large basement with a fully equipped kitchen that opens onto the garden and pool area, along with additional covered terraces for warm summer days.

This level also houses the laundry room, the utility room, and another bathroom for the pool area.

The basement also features an impressive wine cellar and a yoga and fitness room.

Currently, two privately rented parking spaces in a garage on Gran Via are available for purchase.

This magnificent townhouse also holds a holiday rental license (ETV), making it not only an exquisite family retreat but also an excellent investment.

This is a unique opportunity to acquire a historic townhouse in a prime location in Sóller. We would be pleased to answer any further questions and arrange a viewing.
