Fabulous apartment with stunning views over Palma's marina

This exclusive property has been recently and completely renovated with exquisite taste and meticulous attention to detail, using only the highest quality materials. This magnificent gem is located in one of Palma's most privileged and central areas, allowing you to enjoy all amenities within walking distance while taking in spectacular views of the marina and the sea.

The property offers approximately 300 m² and features a spacious and bright living room with fireplace, an elegant fully fitted kitchen equipped with high-end appliances, a separate dining room, five generously sized bedrooms, an office, five bathrooms — four of them en suite — and a guest toilet.

From the main living areas, there is access to an immense terrace boasting breathtaking panoramic views of the city, the cathedral, and the marina — a perfect setting for unforgettable outdoor moments.

All rooms benefit from built-in wardrobes and abundant natural light. Additional features include low-consumption Jaga radiators powered by city gas with a 180-liter hot water tank; hot/cold air conditioning via ducted fan coil system with individual control in each room and a Daikin outdoor unit; ceiling fans in the bedrooms and living areas; PVC exterior carpentry; and "Gris Zarzi" sandblasted stone flooring in 80x80 format — all finished to the highest standards.

The property includes a private parking space in the same building and benefits from two entrances (main and service) as well as two lifts.

A unique opportunity in an unbeatable location.

All about the location

Palma, capital of the Spanish island of Mallorca, is a city located in the western Mediterranean Sea. The immense cathedral of Santa Maria, a Gothic monument that was begun in the 13th century, dominates the skyline of the bay of Palma. The old town of Palma de Mallorca is a complex labyrinth of narrow streets of Arab origin in which it is still possible to feel the history of Mallorca at every step. Museums of all kinds, shows that are constantly renewed and stores of the best brands complete the offer of tourism and leisure that the capital offers. In addition to the hustle and bustle and the continuous activity typical of the best capitals, Palma has the added attraction of being located by the sea. The closest beaches to the capital are Illetas beach and El Arenal beach, two options that are as comfortable as they are beautiful. If you are one of those who believe that you do not know a place until you try its food, you are in luck, since in Palma you will find an infinity of restaurants of all kinds where you will be able to enjoy the delicious typical dishes of Mallorca.
