A first impression

Located on one of the most emblematic and sought-after streets, this townhouse combines tranquility, character, and proximity to shops, restaurants, and the medieval walls, with easy access to the beaches of northern Mallorca. It is an ideal option both as a residence and as an investment.

Spread over three floors, the property requires a full renovation, offering the opportunity to design a tailor-made project: from a spacious family home with outdoor areas to the division into two independent homes with three or more bedrooms.

Key features include:

- Access from two streets, a rare feature within the walled town
- Private garage for two vehicles
- Private garden with space for a swimming pool
- Bright interiors and a structure with authentic Mallorcan charm

This is a unique property, full of history and exceptional potential, in an area where houses with gardens, garages, and dual access are very rare. There is also the option to purchase the houses separately, at €695,000 each.

Don't miss the opportunity to transform this property into a home full of character or a high-value investment in Alcudia.
