A first impression

Exclusive newly built finca in a privileged environment with stunning views of the bay of Alcudia.

Surrounded by the Mediterranean landscape and located on an elevated plot, this extraordinary property offers privacy, comfort and truly unique sea views. The house has 537 m² built on two levels carefully designed to make the most of natural light and the environment.

The house has four spacious bedrooms with en suite bathrooms, plus an additional room with separate bathroom that can be adapted as a fifth bedroom, office or guest room.

The upper floor houses the elegant living area and the master bedroom, both with spectacular panoramic sea views. On the lower floor are the other bedrooms and the complementary areas of the house.

Designed to offer maximum comfort throughout the year, the property incorporates underfloor heating and integrated air conditioning through a high efficiency arothermal system.

Outside there is a magnificent private swimming pool of approximately 50 m², while inside the property offers an exclusive spa area with jacuzzi, perfect for moments of relaxation. The sophisticated designer kitchen, equipped with Miele appliances, combines contemporary aesthetics and functionality.

The house has been conceived with a sustainable and self-sufficient approach, thanks to its installation of solar panels, its own generator and private water well.

This exceptional property is completed by a garage with capacity for two vehicles and high quality finishes, such as the local natural stone used in the interior and exterior pavements, as well as the Bali stone cladding in the swimming pool, which provides a refined and exclusive air.

An exceptional estate where contemporary architecture, luxury and natural surroundings come together to create a unique residence in Mallorca.

All about the location

Puerto de Alcudia is one of the most attractive destinations in the north of Mallorca, ideal for both living and investment. Its long promenade, marina, seafront restaurants and one of the longest and safest beaches on the island make this area a perfect place to enjoy all year round.

The area offers an excellent infrastructure: supermarkets, schools, medical centers, and a wide range of leisure and sports (golf, cycling, water sports). In addition, its proximity to the old town of Alcudia and the Natural Park of s'Albufera makes it a unique environment between nature and comfort.
