**This spectacular townhouse of 717 m<sup>2</sup> built on a plot of 323 m<sup>2</sup> is an authentic architectural jewel full of charm, elegance and endless possibilities. Distributed over four floors, the property preserves precious original elements of traditional Mallorcan architecture, such as hydraulic tiles, antique stone floors, exposed beams, high ceilings, fireplaces and an impressive marble staircase that adds even more personality to every corner of the house.**

**Upon entering we are greeted by a beautiful and spacious hallway with antique flooring that leads to different rooms and rooms full of history, plus an old office and access to a magnificent vaulted cellar of approximately 90 m<sup>2</sup> with separate entrance from the street, a unique space with a lot of potential. The first floor also has a garage and a wonderful private courtyard of about 75-80 m<sup>2</sup> surrounded by vegetation, well and old buildings that could be transformed into a spectacular outdoor kitchen, guest area or relaxation spaces.**

**The second floor offers spacious and bright living rooms with fireplace, wood and glass covered balconies, a large traditional kitchen, dining room, several bedrooms, private terraces and a stately atmosphere that captivates from the first moment. On the second floor we find more rooms and multipurpose rooms that can be converted into additional bedrooms, study, library or storage areas, plus access to a stunning roof terrace with 360° panoramic views over the village.**

**Currently the house has 7 bedrooms and about 17 rooms that allow multiple redistribution options.
